# HAGOROMO OTSUTSUKI WORKOUT ROUTINE

## Training Volume:

6 days per week

## Explanation:

We're going to be training at an extremely high volume and working with all different types of training styles. We'll still have our PPL split (Push, Pull, Legs) with weight training 3 days a week and then we'll also incorporate calisthenics and core work with some optional training in Parkour and/or MMA. On top of this we'll have one day entirely devoted to endurance training to keep you going forever!
